Statement of Objects and Reasons

Dramas and Theatres occupy traditionally important place in the social, religious and cultural life of the people of the Union territory of Goa, Daman and Diu. Almost in every village there is some sports or cultural club organising and promoting dramatic performances. As such entertainment is mostly frequented by the weaker section of the society and considering the present high cost of living, it is felt necessary that some further relief should be given to them. Therefore, it has been proposed in the Bill to amend existing clause of sub-section (1) of section 3 of the Act, exempting from payment of entertainment tax of theatrical performances including dramas in which the admission rates does not exceed Rs. 15/-.

Financial Memorandum

No additional expenditure is involved due to the proposed amendment since the existing machinery will carry out the work which may result on account of the proposed amendment.
